SECTION I Status of Players, Teams, Leagues and Other Organisations

These regulations apply equally to both genders. A reference to one gender (e.g. he) includes a reference to the other gender (e.g. she).

CHAPTER 1 Status of Players

1. ELIGIBILITY

1.1 SUPREME AUTHORITY

The FIVB is the supreme authority in volleyball to decide all questions and disputes relating to the eligibility of players for national and international competitions.

1.2 RIGHT TO DETERMINE PLAYERS' ELIGIBILITY

Each National Federation has the right to determine the eligibility of its players subject to the provisions of the FIVB Constitution and Regulations.

1.3 CRITERIA FOR THE ELIGIBILITY OF PLAYERS

The eligibility of a player may be determined after taking into consideration the following criteria:

- a. nationality;
- b. age;
- c. sex;
- d. height (if applicable); and
- e. other eligibility criteria.

1.4 PLAYER PARTICIPATION IN A MATCH

A player is considered to be in the match when:

- 1.4.1 his name is registered in the O-2bis Form, and
- 1.4.2 there is visual confirmation from the passport / ID (identification document) that the player is actually present.

2. NATIONALITY

2.1 ELIGIBILITY TO PLAY FOR A NATIONAL TEAM

Any person holding the nationality of a country, whether acquired at birth or later (by application or any other means), is eligible to play for the national team of the National Federation of the same country, provided that said National Federation is his Federation of Origin and that the conditions set out in these Regulations are fulfilled.

2.2 ELIGIBILITY TO PLAY FOR A NATIONAL TEAM AFTER A CHANGE OF FEDERATION OF ORIGIN

- 2.2.1 Only one (1) player having previously played for another national team of the same age category can be part of a team, for a given event.
- 2.2.2 The O-2bis Form and the player's International Transfer Certificate shall include the additional information of the player's former national team, where applicable.

2.3 ELIGIBILITY TO PLAY FOR A THIRD NATIONAL TEAM

A player is not eligible to play for a third national team, nor may he return to the initial national team of his Federation of Origin after having changed his Federation of Origin (see also Article 5.1).

2.4 FIRST REGISTRATION IN OWN OR FOREIGN COUNTRY

- 2.4.1 The Federation which is the first to:
- register the player in its national team for an FIVB, World or Official Competition through the final FIVB O-2bis Form, with the player's presence being certified by the Control Committee; or
 - issue a national license for the player or otherwise register the player within its Federation in the season in which the player turns fourteen (14) years of age (or older if first registered after the age of fourteen (14));

is considered to be the player's Federation of Origin regardless of the player's nationality.

For purposes of this provision, the act of registering a player shall mean that the player has been registered to play in a volleyball competition for a club, team, school or other volleyball entity that is affiliated either directly or indirectly with the Federation.

- 2.4.2 If at the time of registration the player holds the nationality of another country only, he becomes eligible to play in the national team of his Federation of Origin immediately after obtaining the same nationality as his Federation of Origin.

2.5 PASSPORT

All players wishing to participate in FIVB, world or official competitions, must present an individual passport issued by the competent authorities of the country they represent. The FIVB Board of Administration may establish different or additional requirements.

3. AGE AND GENDER**3.1 AGE**

The FIVB has determined the following age categories:

- Girls' Under 18,
- Boys' Under 19,
- Women's Under 20,
- Men's Under 21,
- Men's and Women's Under 23.

3.2 GENDER

3.2.1 Purpose

The purpose of this regulation is to determine the eligibility of a player to participate in a gender category by balancing 1) the identification of an individual player with 2) the competitive balance of the competition category taking into account the interests of the other athletes competing in that category.

3.2.2 The initial categorisation of a player's gender for purposes of eligibility shall be attested by the National Federations through the birth certificate of the player reflecting the player's gender assignment at birth and the first registration of the player in all disciplines of Volleyball. In the event that the birth certificate reflecting the player's gender assignment at birth does not match the first registration of the player in Volleyball, the player's initial categorisation for purposes of this regulation shall be based on the gender assignment at birth.

3.2.3 Change of Gender

3.2.3.1 A player may change the categorisation of his or her gender one time for purposes of eligibility in FIVB, World and Official Competitions organised by the FIVB or its Confederations if he or she can demonstrate to the comfortable satisfaction of the Gender Eligibility Committee that no competitive advantage is derived from such change based on the totality of the circumstances.

3.2.3.2 As part of its "totality of circumstances" analysis, the FIVB can take into account any physiological (e.g. nature of the change, height, weight, BMI, muscle mass), medical (e.g. nature and time of change, sex change operation, testosterone levels, muscle receptor measurements, new scientific developments and discovery, etc.), sporting (e.g. sports performance in national leagues, position, experience participating in other gender) and any other considerations submitted by the player or requested by the Gender Eligibility Committee.

3.2.3.3 The composition of the Gender Eligibility Committee shall consist of one legal expert and one medical expert appointed by the FIVB and one athlete appointed by the FIVB Athlete's Commission. There must be at least one male and one female member sitting on the Gender Eligibility Committee. It shall issue a reasoned decision as to whether or not it approves the change of gender.

3.2.4 Eligibility to Play after a Change of Gender

Only one (1) player having previously played for another gender can be a part of a team for a given event unless otherwise decided by the FIVB.

3.2.5 Applicability

For the avoidance of doubt, the application of this rule shall be limited to FIVB, World and Official Competitions organised by the FIVB and its Confederations. For national club competitions, each National Federation responsible for the registration of players for the club competition in its territory shall determine its own eligibility rules regarding gender.

3.2.6 Appeal

An appeal against the rejection of a change request by the Gender Eligibility Committee may be submitted exclusively to the FIVB Appeals Panel within a period of fourteen (14) days from the notification of the decision. The procedure of the appeal shall be conducted in accordance with Section IV of the FIVB Disciplinary Regulations.

4. OTHER ELIGIBILITY RULES

4.1 GENERAL RULE

Any player who fulfils the requirements of the rules on nationality, age, gender and other criteria established by FIVB (and/or IOC, where applicable), is eligible for participation in FIVB competitions, including the Olympic Games and qualifying tournaments, on the condition that he complies with the principles of affiliation established by the respective National Federation and fulfils the conditions set out in these Regulations.

4.2 ELIGIBLE PLAYERS

- d. engagement by or endorsement for a sports, government, private organisation, or sports club.

4.2.5 No National Federation, club or player may demand any financial guarantee or special economic conditions to participate in FIVB competitions. Infringement of this rule is a basis for sanctions according to FIVB Regulations.

4.3 DECISIONS ON THE ELIGIBILITY OF PLAYERS

The FIVB Board of Administration, or, in urgent cases, the Executive Committee/the President, decides on the application of the rules for the eligibility of players. It may ask the Legal Commission to study the case and submit recommendations.

5. CHANGE OF FEDERATION OF ORIGIN

5.1 GENERAL

A player's Federation of Origin may be changed only once. Changes of Federation of Origin may be approved only by the FIVB Executive Committee, upon proposal of the FIVB President, and provided that the right to be heard of the current Federation of Origin has been respected.

5.2 CONDITIONS

A change of Federation of Origin (hereinafter "the Change") may be approved only if the following conditions are cumulatively met:

- 5.2.1 The player has established residence in the country of his new Federation of Origin (hereinafter "the new Federation") for a minimum of two (2) continuous years immediately prior to the time of filing the application for the Change.
- 5.2.2 The player has obtained the nationality of the country of the new Federation.
- 5.2.3 The player's Federation of Origin agrees to the Change.
- 5.2.4 The new Federation agrees to the Change.
- 5.2.5 The applicable administration fee for the Change has been paid to the FIVB (see Article 5.3 below).

In the event that the player's Federation of Origin does not agree to the Change under Article 5.2.3 and the wording of Article 5.2.3 notwithstanding, the FIVB Executive Committee shall have the unequivocal right to determine, in its sole discretion, whether the Change is reasonable and justifiable and to approve the Change, provided that the FIVB Executive Committee gives an opportunity to the player's Federation of Origin to explain the reasons for its disagreement.

5.3 PROCEDURE

- 5.3.1 The following documents shall be submitted to the FIVB:
- a. One (1) original copy of the respective FIVB form (see www.fivb.com), duly signed and stamped by the player, his Federation of Origin and the new Federation; and
 - b. Proof of two (2) years continuous residence in the country of the new Federation. Residence means the place where the player “lives and sleeps” and can be found in the majority of the days of the year; and
 - c. Copy of the player’s International Passport of the country of the new Federation.
- 5.3.2 The administrative fee for a Change is CHF 15,000 (fifteen thousand Swiss Francs). If the player has played for a senior national team, the applicable administrative fee is CHF 25,000 (twenty-five thousand Swiss Francs).

5.4 SPECIAL CASES

- 5.4.1 If the player has never played for any national team and already had the nationality of the country of the new Federation at birth, the FIVB may approve the Change as follows:
- a. The conditions of Article 5.2 shall be met, except for the condition of 2-year continuous residence.
 - b. The documents mentioned under Article 5.3.1.a and 5.3.1.c above shall be submitted to FIVB, along with proof of when the player acquired the nationality of the country of the new Federation.
 - c. The applicable administration fee is CHF 2,000 (two thousand Swiss Francs). The FIVB Executive Committee shall have the right to waive the applicable administration fee if the player does not have the nationality of his original Federation of Origin.
 - d. The National Federations involved and the FIVB may agree that the Player’s transfers between the two (2) National Federations will be exempted from the payment of administration and transfer fees.
- 5.4.2 In case
- a. the player has established residence in the country of the new Federation for a minimum of eight (8) continuous years; and
 - b. the application for a Change is filed with the FIVB on or after the 1st of January of the calendar year during which the player turns 35 (for men) or 32 (for women); and
 - c. the conditions of Article 5.2.2 (nationality) as well as Article 5.2.4 (agreement of the new Federation) are met and the player’s Federation of Origin agrees to the Change,
- the condition of Article 5.2.5 (administration fee) shall be waived.
- 5.4.3 For the avoidance of doubt, the FIVB Executive Committee shall have the same right to review and approve a Change in the event that a player’s

Federation of Origin does not approve a Change as provided in the last provision of Article 5.2 above under this Article 5.4.

5.5 CONSEQUENCES

- 5.5.1 Unless decided otherwise, the decision of the FIVB Executive Committee to approve the Change is effective from the day of its notification to the new Federation.
- 5.5.2 As of that date, the player shall have the same rights and obligations with players of the new Federation (e.g. he can directly compete in club competitions of the new Federation without a need for ITC). However, if the player has previously played for another national team, he will be eligible to play for a national team of the new Federation only after two (2) years have elapsed. This two-year period starts from the day that the complete application file, containing all required documents, is received by the FIVB.

6. TRANSFER OF PLAYERS

Note:

International transfers between two (2) National Federations belonging to the same Confederation are subject to the FIVB Regulations (which prevail over any Confederation's or any National Federation's regulations) but will be handled administratively by the respective Confederation. References to FIVB in the present Chapter shall be understood as referring to the corresponding Confederation, where applicable. With the previous written approval of FIVB, Confederations may adopt their own continental administrative regulations relating to the transfer of players among their National Federations. In case of doubt or controversy, FIVB's regulations and decisions shall prevail.

The FIVB remains, at all times, (a) responsible for transfers between National Federations belonging to different Confederations; (b) the ultimate authority as regards the interpretation and application of these Regulations around the world; and (c) the sole authority competent to decide any and all transfer disputes arising from the interpretation and/or application of these Regulations around the world, including cases of international transfers between National Federations within the same Confederation.

6.1 GENERAL PRINCIPLES

- 6.1.1 In order to safeguard the technical and administrative authority of each National Federation in regulating and promoting the practice of Volleyball according to the principles of equality, fair play and fair competition in its country, the approval of International Transfer Certificates (ITCs) will be based on the following principles:
- a. National Federations may organise, with the approval of the FIVB, their own professional Leagues and authorize their players to play in a local or foreign professional League recognised by the FIVB. The National Federation shall be responsible for registering all players playing for clubs within their territory in the FIVB's Volleyball Information System (VIS).

- b. The National Team period is from 16 May to 15 October. During this time, national team competitions shall have priority in the calendar. National Leagues may operate during this time only subject to the approval of the FIVB if the territory in which the national league is based is not participating in international competitions or the player in question is not participating in international competition. National Leagues shall not be entitled to operate for fourteen (14) days before the day of the first match of and fourteen (14) days after the day of the last match of any national team competition(s) in which the national team of the territory of the National League is competing unless otherwise approved by the FIVB.
- c. National Federations are competent to determine, in accordance with the FIVB Regulations, the composition of all affiliated clubs participating in their recognized National Leagues.
- d. National Leagues are in principle composed of clubs with players whose Federation of Origin is the same as that of the club. National Leagues shall operate in accordance with the decisions made by their National Federation.
- e. National Federations may allow their affiliated clubs to register an unlimited number of players from another Federation of Origin on condition that they possess an ITC approved by FIVB.
- f. These Regulations balance the freedom of contract of clubs and players with the recognition of the contribution made by National Federations, its clubs and Confederations in the development of individual players.
- g. In all cases, contractual terms between a player and a club shall not implicitly or explicitly deviate from the provisions of these Regulations. In its sole discretion, the FIVB may require that a player or club provide a copy of said contractual terms in order to properly enforce these Regulations (e.g. multi-year ITCs, determinations of a maximum fee, etc.).
- h. In all cases, all Volleyball teams and players registered by a club with its National Federation must play in accordance with, and be subject to, the National Federation, Confederation and FIVB Regulations.

6.1.2 Rights of the National Federations

National Federations have the right to protect the integrity of their affiliated players and clubs and determine the procedure for the national transfer of players. They may establish national regulations for the transfer of players to foreign clubs, provided that such rules are supplementary to and not against the provisions of the FIVB Sports Regulations. In the event of discrepancy, the FIVB Sports Regulations shall prevail.

- 6.1.3 Rules for international transfers
- Players and clubs must abide by the rules of their National Federations for national transfers and by the FIVB Regulations for all international transfers.
- 6.1.4 Players subject to transfer procedure
- These Regulations apply to all international transfers of players who are either licensed by or members of a National Federation affiliated to the FIVB.
- 6.1.5 Compulsory transfer formalities
- The transfer procedure laid down in this Chapter is compulsory and applicable to all international transfers.

6.2 TRANSFER PROCEDURE

An International Transfer Certificate system (hereinafter "ITC system") is in place on the FIVB website and is only accessible to the FIVB, Confederations, National Federations, Clubs and Players, through a password provided by the FIVB. The following procedure shall be strictly applied to the international transfers of players:

- 6.2.1 A club (hereinafter "Receiving Club") interested in a player with a different Federation of Origin:
- a. informs its own National Federation (hereinafter "Receiving Federation") of the name, age, address and Federation of Origin of the player, and
 - b. requests permission from the Receiving Federation to proceed with the transfer.
- 6.2.2 The Receiving Federation verifies if the Receiving Club complies with its statutes and meets the requirements established by the FIVB and, if it does not find any impediment, confirms its agreement in the ITC system.
- 6.2.3 The Receiving Club negotiates the financial and transfer conditions for the transfer of the player with his or her Federation of Origin and, if the player is under a written, legally binding contract with a club beyond the scheduled transfer date (hereinafter "Current Club"), then also with his or her Current Club . The potentially applicable fees are defined in Article 6.3 below.
- 6.2.4 Once all of the involved parties (including the player) have confirmed their agreement in the ITC system and the electronic template for transfer certificates has been completed, the Receiving Club pays the applicable International Solidarity and Administration Fee to the FIVB (see Article 6.3.2 below).
- 6.2.5 After all data has been verified by the FIVB Legal and Transfers Department and the receipt of the International Solidarity and Administration Fee in the account has been confirmed by the FIVB Finance Department, the FIVB registers the ITC number in the same electronic template and delivers the ITC authorizing the transfer of the player.

In the event of multi-year ITCs, the suspension of the ITC (see Article 6.5.1.5 below) shall be released and the ITC delivered upon receipt of the payment of the International Solidarity and Administration Fee for each respective season.

- 6.2.6 The FIVB generates the ITC and sends a copy of it, in PDF format, to:
- a. The Receiving Confederation,
 - b. The National Federations (of Origin and Receiving),
 - c. The Clubs (Current, if any, and Receiving),
 - d. The Player, and
 - e. The Confederation of Origin.
- 6.2.7 Immediately upon receipt of the PDF with the ITC duly completed for each season, the player may be registered by the Receiving Federation and Confederation for that season.
- 6.2.8 Special provisions for young players:
- 6.2.8.1 Transfer of minors
- a. International transfers of players are limited as follows before the 1st of January of the relevant season during which they turn eighteen (18).
 - i. International transfers of players below the age of fifteen (15) are not allowed except if the interested parties establish that the transfer has no links to volleyball (e.g. family relocation due to parents' change of workplace).
 - ii. The FIVB may authorize the transfer of a player between the ages of fifteen (15) and seventeen (17) if the following conditions are satisfied:
 1. The parents of the minor agree to the transfer;
 2. The schooling of the minor is guaranteed, and proof of such schooling is submitted;
 3. The residence of the minor is guaranteed by the Receiving Club or his family and proof of residence is submitted;
 4. The supervision of the minor by an adult is guaranteed through a parent or legal guardian, a family member or a chaperone agreed upon by the parents and the Receiving Club; and
 5. An agreement by the Receiving Club to pay for the travel of the minor back to his home country if the minor's parents live outside of the country of the Receiving Club upon

conclusion of the season or termination of the transfer.

- iii. Minor transfers granted in accordance with the above provision shall be limited to one season. A Receiving Club will have to re-apply for a minor transfer annually.
- b. No International Solidarity and Administration Fee shall be paid to FIVB for transfers authorised under paragraph (a) above. In case the parties involved cannot agree on the Federation of Origin Solidarity Fee to be paid to the Federation of Origin, the FIVB will determine the amount of the fee in accordance with Article 6.3.3(c) and Appendix C.
- c. A violation of the transfer of minors provisions above by a club shall be considered a major offence and result in an automatic prohibition of registering and lining-up of any players requiring an ITC in any competition, including any National League competitions, as well as any other sanctions applicable under the FIVB Disciplinary Regulations, which may be applied more than once and cumulatively.

6.3 FEES

6.3.1 Definitions

For purposes of these Regulations, there are three potentially applicable fees that could be payable as defined below:

- a. “International Solidarity and Administration Fee” shall mean the fixed fee defined in Appendix 1 of the FIVB Financial Regulations payable to the FIVB (or to the respective Confederation) by the Receiving Club, which shall cover the FIVB’s expenses and shall also be redistributed to volleyball entities responsible for the development of a player in accordance with Article 1.5.2 of the FIVB Financial Regulations.
- b. “Federation of Origin Solidarity Fee” shall mean the fee payable to the Federation of Origin by the Receiving Club to support Volleyball development programs, including training compensation to the clubs responsible for developing the player who is transferring.
- c. “Transfer Fee” shall mean the fee payable by the Receiving Club to a club to buy out its rights to the player’s services under a legally binding contract.

6.3.2 International Solidarity and Administration Fee to FIVB

- a. The Receiving Club shall pay an International Solidarity and Administration Fee to the FIVB for the international transfer of a player. For multi-year ITCs, the International Solidarity and Administration Fee to the FIVB shall be payable for each season

of the international transfer of the player.

- b. For the scale of International Solidarity and Administration Fees, refer to the Appendix to the FIVB Financial Regulations. The International Solidarity and Administration Fees payable for “International Rights” transfers shall assist in covering the solidarity and administration of “No International Rights” transfers.
- c. Parties cannot contest the categorisation of their National Federation under these Regulations. Once entered into the VIS system by a National Federation and approved by the FIVB, the divisions of the National League in their territory, a National Federation may only contest the divisions of their National Leagues if there is a change in the divisions of the leagues, e.g. the creation of a new division, etc. Said National Federation shall bear the burden of proving to the FIVB that such change justifies a change of the divisions of the National League in the VIS System.

6.3.3 Federation of Origin Solidarity Fee

- a. As a principle, the Federation of Origin Solidarity Fees are designed to encourage programs for the continued growth of Volleyball within the Federation of Origin through the international transfer of players developed within the infrastructure of the Federation of Origin. However, such principle must also be balanced with the player’s right to work and earn a living based on the skills that he or she has developed.
- b. The Federation of Origin Solidarity Fee and its payment schedule shall be negotiated and agreed upon the Receiving Club and the Federation of Origin in writing within the parameters defined in these Regulations. When negotiating the Federation of Origin Solidarity Fee, the Federation of Origin and Receiving Club shall take into account the following criteria:
 - i. Level of experience of the player including age, length and consistency of the volleyball career (National Team experience, previous transfers, injuries, disciplinary record, etc.), overall performance as per publicly available statistics.
 - ii. Positive contribution of the Federation of Origin towards the player’s Volleyball career.
 - iii. Length of the transfer.
 - iv. Previous Federation of Origin Solidarity Fee(s) for the player.
 - v. Level of the Federation of Origin.
 - vi. Level of the Receiving Club and relevant league.
 - vii. Level of the Receiving Federation.
- c. In all cases, the Federation of Origin Solidarity Fee shall not exceed

the maximum amounts provided in the Appendix C to these Regulations. In the event that the transfer is exempted from the payment of an International Solidarity and Administration Fee (see Appendix 1 to the FIVB Financial Regulations), no Federation of Origin Solidarity Fee shall be payable to the Federation of Origin.

- d. To the extent that an agreement on the Federation of Origin Solidarity Fee cannot be reached by the Receiving Club and impacting a contract already signed by the player and the Receiving Club resulting in the Federation of Origin blocking the issuance of the player's ITC, a party may request the FIVB's intervention to decide on the applicable Federation of Origin Solidarity Fee in accordance with the procedure defined in Appendix D to these Regulations.
- e. In the event that the Federation of Origin refuses to sign the ITC by either refusing to negotiate with the Receiving Club or refusing to accept the FIVB's decision on the Federation of Origin Solidarity Fee, the FIVB may approve the ITC without the consent of the Federation of Origin if the ITC is not signed within forty-eight (48) hours before the start of the Receiving Club's first match in the season in which the transfer pertains.
- f. Each Federation of Origin shall adopt a distribution system for the Federation of Origin Solidarity Fee that provides support to those clubs that contributed to the development of the player who was subject to the transfer in which the Federation of Origin Solidarity Fee was paid.
- g. Bilateral transfer agreements waiving Federation of Origin Solidarity Fees
 - i. Two (2) National Federations may reach an agreement under which transfers of players from one National Federation to the other will not require payment of Federation of Origin Solidarity Fees to the player's Federation of Origin. For the avoidance of doubt, the International Solidarity and Administration Fee payable to the FIVB (or to the respective Confederation) and the ITC procedure cannot be waived by an agreement between National Federations.
 - ii. A bilateral agreement enters into force only after written approval by the FIVB.
 - iii. Each National Federation may not conclude more than three (3) bilateral agreements.

6.3.4 Transfer Fee

- a. A Current Club is a club that has a signed written contract with a player that is legally binding beyond the date of a proposed

transfer.

- b. Should a player wish to permanently transfer to a new club within the duration of his or her contract with his or her Current Club and the current contract is still legally binding, the Current Club may request the payment of a transfer fee as compensation to buy the Current Club out of its contractual rights over the services of the player under a legally binding contract.
- c. In the event that the player and the Current Club have a dispute over whether they are bound by a legally binding contract, Article 6.10 below shall apply.

6.4 INFORMATION ON THE ITC

The following information shall be included in the ITC:

- the player's full name and sex;
- date of birth;
- current nationality;
- passport number and country of issue;
- Federation of Origin;
- Current Club (if any);
- Receiving Federation and Club;
- Former national team (for players having changed their Federation of Origin)
- Player's release for duty for his/her national team (10 (ten) days prior to the beginning of the FIVB, World or Official Competition);
- duration of transfer, and
- approval by the player, his Current Club (if any), the Receiving Club and both National Federations.

6.5 DURATION OF THE ITC

6.5.1 Mention of the duration

- 6.5.1.1 An ITC can be granted in accordance with the duration of the player's contract with the Receiving Club for a period of up to a maximum of five (5) consecutive National League seasons. The starting and ending date of the transfer must be indicated on the ITC. In any case, the ITC will finish fourteen days (14) before the start of the National Team season following the last season for which the ITC was approved unless the FIVB has approved the operation of the National League during the National Team period in which case it shall be the last day of the season.

6.5.1.2 National Leagues and Clubs are obliged to respect the conditions established in the ITC.

6.5.1.3 All Clubs are obliged to release players under FIVB ITC at least fourteen (14) days before the start of the National Team period to allow for a rest for the players and, subsequently, to play with their respective National Team during the National Team period unless otherwise approved by the FIVB.

6.5.1.4 ITCs, regardless of the transfer period stated, are suspended during the National Team period unless otherwise approved by the FIVB.

6.5.2 Enforcement of transfer for the whole transfer period

Unless otherwise agreed on the ITC, the Federation of Origin may only reclaim the player during the National Team period before the end of the transfer period. Following the end of the transfer period, the player is automatically free to play for another club, subject to the provisions of these Regulations.

6.5.3 Duties of the Receiving Club and Federation

- a. The Receiving Club and Federation may not prolong the player's license to enable him to play longer than the duration of the transfer period.
- b. In the event of non-compliance with paragraph (a) above, the FIVB may impose sanctions on the player and/or the Receiving Club and/or the Receiving Federation and League.

6.5.4 Return to the Federation of Origin

At least fourteen (14) days before the start of the National Team period in each season, the player's license is automatically suspended and, once the National Team period starts, his license is assigned to his Federation of Origin for national team duty until the end of the National Team period unless the FIVB decides otherwise due to exceptional circumstances (e.g. prolonged competition period due to event cancellation, etc.). All ITCs shall be deemed suspended until the end of the National Team period. The FIVB may, in its sole discretion, allow ITCs during the National Team period in territories in which its national teams are not competing.

6.5.5 New transfer after the transfer period

A new ITC is always required at the end of the transfer period, unless the player returns to play for a club in his Federation of Origin. A new ITC is required also in the event that the player wishes to continue playing at the same Receiving Club or at a different club of the same Receiving Federation after the initial transfer period has finished. In any event, the restrictions of Articles 6.1.1.b and 6.5.1 with respect to the National Team period apply.

6.5.6 New transfer within the transfer period**6.5.6.1** Premature Termination of the Contract

Should the contractual relationship between Receiving Club and player end during the Transfer period, the FIVB must receive a release letter signed by both parties (Receiving Club and player) indicating the date of the termination. Only after receipt of this documentation may the player be permitted a new international transfer (in case of dispute or if otherwise stipulated in the player's contract, refer to Article 6.10.1).

6.5.6.2 Short Term Assignment of ITC (Loan)

In the event of a multi-year ITC granted in accordance with the provisions above, the Current Club may agree to assign the ITC of a player, subject to the agreement of the player, to another club for the duration of up to one (1) National League season at any time while it has a valid ITC for the player subject to the provisions in this Article, including the restrictions related to the National Team period. The club receiving the player on assignment may not assign the ITC to a third party without the prior consent of the FIVB and the Current Club.

6.6 **CHANGE OF RESIDENCE**

6.6.1 The change of a player's residence to another country, whether voluntary or not, still requires the player, the Receiving Federation and the Receiving Club to follow the established transfer procedures as set out in these Regulations.

6.6.2 Players who have nationality problems, refugees, or players who have completed two (2) years' proven inactivity may be allowed to play in national and/or international competitions under the FIVB umbrella with club teams of their new country of residence before they obtain the nationality of their new country and/or satisfy other legal requirements. In such cases, the FIVB shall act as the player's Federation of Origin for the purposes of the transfer.

6.7 **VALIDITY OF TRANSFER AND TRANSFER VIOLATIONS****6.7.1** Validity

A transfer is only valid when:

- a. the ITC has been issued in compliance with these Regulations;
- b. the Receiving Federation is up to date with its financial obligations towards the FIVB; and
- c. there is no prior application for ITC in process of approval or another ITC in effect for the same player.

6.7.2 Lack of ITC

A player who plays outside his Federation of Origin without a valid ITC shall be suspended for a period of up to one (1) year as well as any other potential sanctions applicable under the FIVB Disciplinary Regulations.

Control Committees of Volleyball tournaments, including Continental competitions, shall carefully examine the transfer certificates of foreign players on a club team and notify the FIVB in case of violation or unclear situation.

6.7.3 Further consequences in cases of violation

Sanctions may also be applied to those National Federations and clubs which have violated the established transfer procedure or have not fulfilled the conditions agreed upon in the ITC.

(see also Article 1.4.4 of the FIVB Financial Regulations and Article 14 of the FIVB Disciplinary Regulations)

6.8 NATIONAL LAW**6.8.1** Local decisions

Decisions concerning international transfers of players based on domestic laws or regulations and against the rights of a (foreign or local) National Federation or against the FIVB Constitution or Regulations are not binding on the FIVB.

6.8.2 International participation

Whenever a local court gives a player the right to a local license based on national law and against FIVB Regulations, the FIVB organs (including Confederations) must not grant an international license and must prevent that player from taking part in any international competitions under their authority.

6.8.3 After notice from the FIVB, other affiliated National Federations must not allow a team which has a player who has not complied with the FIVB Regulations to play in their territory.**6.8.4** Clubs or players shall seek recourse to settle transfer disputes amongst themselves or within the FIVB's internal dispute systems, such as the FIVB Appeals Panel.**6.9 FIVB REGISTER**

The FIVB shall keep a complete electronic register of all international transfers and national registrations.

6.10 CONTRACTUAL RELATIONS**6.10.1** Subject to the Receiving Club's obligation to release players for National Team competitions (Articles 6.1.1.b, 6.5.1 and 7.3.5), the Receiving Club may retain the player's ITC until the end of the transfer period. If the player requests to transfer during this period, the FIVB shall intervene, after

hearing both parties, to decide whether there is a valid contract binding the player with the Receiving Club until the end of the transfer period.

18.1 PROCEDURE BEFORE FIVB/CONFEDERATION

- a. A club, a player, a coach or a FIVB-licensed agent may file a complaint before FIVB.
- b. After receiving a written complaint (“Complaint”) and providing the respondent with an opportunity to submit its reply in writing (“Reply”), the FIVB can decide a financial dispute of an international dimension between a club, a player, a coach or a FIVB-licensed agent provided that the Complaint is filed no later than three (3) years from the date of the last day of the season (as defined in Article 6.5.1.1) during which the dispute arose. It can also decide financial disputes of an international dimension between a coach and a National Federation.
- c. Any counterclaim must be filed within the time limit for the Reply; subsequent filing of a counterclaim shall be inadmissible. The provisions on Complaints, including on the payment of the applicable handling fee, shall apply mutatis mutandis to counterclaims.
- d. The Complaint and the Reply shall include a summary of facts as well as specific requests for relief. The Complaint shall be accompanied by proof of payment of the administrative fee in the amount of CHF 500 (five hundred Swiss Francs). The complaining party shall have the burden of proving its allegations. The FIVB may request further submissions and translations into English from the parties.
- e. The FIVB conducts the procedure expeditiously – and endeavours to complete it within two (2) months from closing the submissions period – in accordance with guidelines to be established by the FIVB.
