

WORLD RANKING

Guidelines **&** **Attribution of Points**

(edition 01.01.2019)

FIVB World Ranking Guidelines

Purpose of the FIVB World Ranking

- » To provide a mathematical method of ranking National Men's and Women's Volleyball teams throughout the world
- » To provide an objective, merit-based method of determining:
 - National Team qualification for entry into FIVB World and Official Competitions
 - Seeding into pools for FIVB World and Official Competitions
- » To create the sense of a global point race which in turn contributes to increased interest in the sport of Volleyball
- » To stimulate the world-wide promotion of Volleyball
- » To improve the quality of teams and thus competition in FIVB World and Official Competitions
- » To encourage countries to participate in matches with other FIVB World Ranked Teams
- » Every final competition result in selected FIVB World and Official Competitions is used to compute the World Ranking

Method of Point Attribution

Following the decision of the FIVB Board of Administration, the system of point attribution for the following selected FIVB World and Official Competitions is as follows:

| | |
|--|--|
| World Championships (Senior) & Qualification Tournaments | World Ranking points are included for 4 years. Points are also granted for the qualification matches, to the best non-qualified teams. |
| Olympic Games & Qualification Tournaments | World Ranking points are included for 4 years. Points are also granted for the qualification matches, to the best non-qualified teams. |
| World Cup | World Ranking points are included for 4 years. |
| World League (Men) | World Ranking points will be included from the 2017 season and will be attributed annually until 31 December 2020. |
| World Grand Prix (Women) | World Ranking points will be included from the 2017 season and will be attributed annually until 31 December 2020. |
| U-age Categories World Championships | World Ranking points are included for 2 years and 4 years for U-23. |
| U-age Continental Championships | World Ranking points are included for 2 years and 4 years for U-23. |

- » The points attributed to the teams participating in the Continental or Olympic Qualification Tournaments will take effect at the same time as the points attributed to the teams taking part in the final round of these competitions.
- » The Team that receive a wild card will have no point granted.
- » When a team qualifies for the Olympic Games, no World Ranking points are attributed to the team for the qualification tournaments.
- » When a team participated in more than one qualification pathway, the one granting more points is included.
- » In the case of a tie, the previous FIVB World Ranking should be used.
- » The number of points to be attributed for each competition is determined by the FIVB Board of Administration following proposals from the Sports Events Council on an annual basis.

Update Frequency

The FIVB World Ranking is updated no later than a week after each event.

Attribution of Points per Competition

The final attribution of points will be based on the exact competition formula to be used.

World Championships

World Ranking points attribution for World Championships 2022 shall be updated subject to confirmed qualification system and will be ratified by Sports Events Council 2020.
