Black, white or neutral colours may be also used provided that all using players wear the same colour.</p>	Completion
9	Each team must play within its own playing area and space (except Rule 10.1.2). The ball may, however, be retrieved from beyond the free zone.	Each team must play within its own playing area and space (except Rule 10.1.2). The ball may, however, be retrieved from beyond its own free zone and over the scoring table in its complete extension.	Rule modification (to allow spectacular actions)
11.3.2	Players may touch the post, ropes, or any other object outside the antennae, including the net itself, provided that it does not interfere with the play	Players may touch the post, ropes, or any other object outside the antennae, including the net itself, provided that it does not interfere with the play (except Rule 9.1.3)	Punctuation
12.5.1	A player of the serving team must not prevent the opponent, through individual screening, from seeing the server AND the flight path of the ball.	A player of the serving team must not prevent the opponent, through individual screening, from seeing the service hit AND the flight path of the ball.	Clarification
12.5.2	A player of the serving team makes a screen by waving arms, jumping or moving sideways during the execution of the service, and in so doing hides both the server and the flight path of the ball.	A player of the serving team makes a screen by waving arms, jumping or moving sideways during the execution of the service, in order that both the service hit and the flight path of the ball are hidden until the ball reaches the vertical	

		plane of the net. Should either be visible to the receiving team this is not a screen.	
14.3	In blocking, the player may place his/her hands and arms beyond the net, provided that this action does not interfere with the opponent's play. Thus, it is not permitted to touch the ball beyond the net until an opponent has executed an attack hit.	In blocking, the player may place his/her hands and arms beyond the net, provided that this action does not interfere with the opponent's play. Thus, it is not permitted to touch the ball beyond the net before an opponent has executed an attack hit	Impacted by modification of Rule 14.6.1
14.6.1	The blocker touches the ball in the OPPONENT'S space either before or simultaneously with the opponent's attack hit.	The blocker touches the ball in the OPPONENT'S space before the opponent's attack hit	Rule modification (to avoid unnecessary interruption of the flow of the game)
15.2.4		It is not permitted to request any regular game interruption after having had a request rejected and sanctioned by a delay warning during the same interruption (i.e. before the end of next completed rally).	New Rule (for clarification)
15.4.2.	For FIVB, World and Official Competitions, in sets 1 and 2, one additional 30-second "Technical Time-Out" is applied automatically when the sum of the points scored by the teams equals 21 points.	For FIVB, World and Official Competitions, in sets 1 and 2, one additional 30-second "Technical Time-Out" is applied automatically when the sum of the points scored by the teams equals 21 points. The length of the Time Outs and Technical Time Outs could be adjusted if the FIVB approves such request based on a request from the Organizer.	Clarification
