

**SNOW VOLLEYBALL CONTINENTAL TOUR/
CONTINENTAL CHAMPIONSHIPS
HOMOLOGATION**

In order to apply for the Continental Tour/ Continental Championships homologation:

After homologation is approved by the FIVB, the World Ranking points will be attributed to the participating players as per FIVB regulations. By submitting this form to the FIVB and the National Federation, the promoter (if any) and the Confederation concerned shall adhere to the below listed minimum requirements:

- **Mandatory men's and women's competition.**
Exceptions may be considered and the FIVB reserves the right to refuse or accept a request for homologating a single gender's event.
- **Minimum 4 teams per gender's competition in the main draw.**
The FIVB encourages to the organizers to implement a qualification tournament.
- **Competition format: at discretion of the organizers.**
It is recommended to implement a competition system allowing the teams to play at least 2 times during the main draw
- **Prize money: not required.**
Whenever prize money will be granted by the organizers it shall be equally distributed among men and women's teams.
- **FIVB Snow Volleyball rules of the games effective at the time of competition shall be respected**
- **Number of events: minimum 1 event**
- **Minimum participation: 3 National Federations teams in the main draw**
- **Teams must be composed of athletes of the same nationality**
With the request from Continental Confederation concerned, the FIVB may grant wild cards for teams registered at NFs from other confederations, but the request must be submitted to the FIVB at least -1 month before the event start. See homologation regulations.
- **Mandatory use of the Volleyball Information System.**
For NFs to register athletes and for the organiser to update the results and ranking;
- It is recommended to use the World Ranking points for entry and seeding purposes. However, Confederations may apply their own ranking for their Continental Tour and Continental Championships (if any) for entry and seeding purposes
- **Sport equipment:** possibly as per FIVB and/or confederation approved materials
- **Event regulations:** it is mandatory to inform participating athletes about the conditions of participation, competition schedule, format, etc.
