**Invitation for
Expression of
Interest (IFEI)**

2.1 Purpose of the IFEI

The purpose of this IFEI is to provide Organisers with the opportunity to express their interest in bidding for the rights and obligations defined generally below associated with the organisation of the FIVB Volleyball U17 World Championships 2026.

2.2 No FIVB Obligation

This IFEI is not a tender and does not commit the FIVB in any way to select an Organiser, or to proceed to negotiations for an agreement, or to award any agreement. The FIVB, in its sole discretion, reserves the complete right to, at any time, suspend, discontinue, amend, modify and/or withdraw from this IFEI or to re-invite Expressions of Interest or bids for the Event on substantially the same or completely different terms.

The FIVB reserves the right to determine how to progress with negotiations following the submission of Expressions of Interest and to award the Event to an Interested Party within the absolute discretion of the FIVB in accordance with terms and conditions agreed upon by the FIVB and the Interested Party. The FIVB may choose to select preferred Interested Parties and may determine the manner of negotiations, including direct negotiations or additional rounds of bidding, in its sole discretion. Each Interested Party acknowledges that FIVB shall have the sole right to determine whether or not negotiations shall be conducted on an exclusive basis and to determine the period of negotiation.

2.3 Governing terms for IFEI

The Interested Party herewith accepts and agrees that the present Terms and Conditions ("TnC"), including the Appendices and Schedules, govern the organisation and hosting of the Event that is the subject of this IFEI.

2.4 Deadline for Expression of Interest

All Expressions of Interest to host the FIVB Volleyball U17 World Championships 2026 must be received by the FIVB at the email address, volleyball@fivb.com, **by no later than 6 PM Central European Summer Time on 30 May 2025**. All Expressions of Interest received by the deadline are final, cannot be withdrawn and can only be revised after the deadline upon FIVB's request.

2.5 Interested Parties

This IFEI is open to National Federations, Agencies, Organisers, Promoters, cities and any other third party interested in participating in the Expression of Interest process for the Event. By submitting an Expression of Interest, any prospective Interested Party represents and warrants that it has the capacity and authorisation to organise the FIVB Volleyball U17 World Championships 2026 in the Interested Party's proposed host country and city/cities and is aware of the relevant local legislation, governmental requirements and other requirements or restrictions known at the time of the Expression of Interest necessary to organise the FIVB Volleyball U17 World Championships 2026 in the Interested Party's proposed host country and city/cities.

An Expression of Interest may consist of one or multiple Interested Parties. In the event of a joint bid, each Interested Party acknowledges and agrees that it is jointly and severally liable to the FIVB related to the contents of its Expression of Interest.

2.6 National Federation Involvement

Any third party applying as Interested Party should be aware that the National Federation where said Interested Party wishes to host the FIVB Volleyball U17 World Championships 2026 may have commercial or organisational requirements or restrictions for organising an event in said National Federation's Territory including restrictions deriving from national sponsorship agreements related to the National Federation's national team. These requirements and

restrictions have to be respected by the Interested Party. Thus, FIVB strongly encourages the interested third party to contact the National Federation in the Territory that it wishes to organise the FIVB Volleyball U17 World Championships 2026 before entering an Expression of Interest in order to obtain any information related to such requirements and restrictions.

After the deadline, FIVB reserves the right to disclose the names (but not the conditions and details of the Expression of Interest) to the National Federation where an Interested Party wishes to host the FIVB Volleyball U17 World Championships 2026 in order to solicit said National Federation's assessment. The National Federation shall provide the FIVB with objective reasons — if any — as to why the Interested Party is not qualified to organise the Event in its Territory within ten (10) days from receiving the list of Interested Parties. The FIVB may consider these reasons as part of its evaluation of the Expression of Interest.

2.7 Interested Party's Expenses

An Interested Party is solely responsible for its own expenses in preparing and submitting its Expression of Interest, and for any meetings, negotiations or discussions with the FIVB or its representatives and consultants, relating to or arising from this IFEI. The FIVB and its representatives, agents, consultants and advisors will not be liable to any Interested Party for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Interested Party in preparing and submitting an Expression of Interest, or participating in negotiations for an Agreement, or other activity related to or arising out of this IFEI.

2.8 No Agreement

By submitting an Expression of Interest and participating in the process as outlined in this IFEI, the Interested Party expressly agrees that no agreement of any kind is formed under or arises from this IFEI prior to a formal appointment by FIVB as described in the IFEI. The submission of an Expression of Interest does not constitute a contract nor the acceptance of an offer by the FIVB. Rather, the submission of Expression of Interest constitutes an offer by the Interested Party to the FIVB that the FIVB can choose to accept or not in its sole discretion subject to the terms and conditions set out herein and the execution of a Long Form Agreement between the Parties.

This IFEI does not contain any representation or warranty upon which any Bidder is entitled to rely at any point in time in order to bring any claim, action or proceedings against FIVB.

2.9 Submission of the Expression of Interest

Interested Parties should pay attention to the expectations and requirements of the IFEI and should make sure that the contents of the Expression of Interest are fully and thoroughly completed. If an Interested Party fails to adequately provide the necessary information to allow FIVB to properly evaluate its Interest, the FIVB reserves the right to reject an Expression of Interest.

It is the Interested Party's responsibility to check any information in this IFEI and make further inquiries that it may need to complete its Expression of Interest. The Interested Party will be deemed to have made themselves fully aware of any matters which may influence its Expression of Interest. An Interested Party may not claim any lack of knowledge or understanding of this IFEI.

2.10 Conflict of Interest

An Interested Party shall disclose in its Expression of Interest any actual or potential conflicts of interest and existing business relationships it may have with the FIVB, its elected or appointed Officials, representatives, member federation Officials and representatives or employees. The FIVB shall rely on such disclosure.

2.11 Solicitation of FIVB Staff and Officials

Interested Parties shall conduct themselves with the highest level of integrity and shall respect the relevant provisions of the FIVB Event Regulations and the FIVB Disciplinary Regulations. The point of contact for this IFEI shall be the FIVB Representative, who will be informed to the Parties. The FIVB Evaluation Team may contact Interested Parties in order seek clarifications or request additional information regarding their Expressions of Interest.

2.12 Property and Confidentiality

All Expressions of Interest, supporting documentation and generally Interested Party's submissions to FIVB prior to its appointment become the property of the FIVB and will not be returned to the Interested Party. All submissions will be held in confidence by the FIVB unless otherwise required by law or stipulated in these TnC.

2.13 Evaluation Team

The evaluation of Expression of Interest will be undertaken on behalf of the FIVB by the Evaluation Team, which shall be defined in accordance with Article 99.4 of the FIVB Event Regulations. The Evaluation Team may consult with others including FIVB elected Officials and staff members, third party consultants and references, FIVB representatives and event organisers, as the Evaluation Team may in its discretion decide what is required.

2.14 Evaluation Criteria

The Evaluation Team will compare and evaluate all Expression of Interest to determine the Interested Party's strength and ability to host the FIVB Volleyball U17 World Championships 2026. The Evaluation Team will not be limited to any selection criteria. It may consider various criteria that the team identifies as relevant during the evaluation process, such as the presentation of marketing and communications plans, sporting considerations, etc. The Evaluation Team may also consider any additional proposals regarding the organisation of the Event, including the structure of the organisation of the Event. The Evaluation Team may apply the evaluation criteria on a comparative basis, evaluating the Expression of Interest by comparing one Interested Party's Expression of Interest to another Interested Party's Expression of Interest.

2.15 Additional Information

The Evaluation Team may, at its discretion, request clarifications or additional information from an Interested Party with respect to any Expression of Interest, and the Evaluation Team may make such requests to only selected Interested Party. The Evaluation Team may consider such clarifications or additional information in evaluating an Expression of Interest.

2.16 Applicable law and dispute resolution clause

This IFEI shall be construed in accordance with the FIVB Constitution and Regulations and shall be governed by the Laws of Switzerland without regard to its conflict of law rules.

Any dispute arising from or related to the IFEI and the bidding process must be negotiated in good faith by the Parties. If the Interested Party and the FIVB are unable to conciliate after thirty (30) days from notification of the start of the conciliation, the dispute can be submitted exclusively to the Court of Arbitration for Sport in Lausanne, Switzerland, and resolved definitively by a panel of three arbitrators in accordance with the Code of Sports-related Arbitration in force at the time of the notification. The language of the arbitration will be English.
